

- Secure and convenient clip on cover
- Supplied with both plastic and glass elements
- Voltage: 9-30Vdc
- MED certified for marine use
- CPD & LPCB approved

Voltage	9-30Vdc
Resistors	470Ω & 680Ω selectable options
Element type	Glass element fitted. Optional plastic element supplied with call point
Operating Temperature	-10°C to +55°C
Protection	IP24D
Construction	ABS
Weight	0.2Kg
Colours	Red
Approvals/Certification	CPD, LPCB, EN54-11

Note:

Weatherproof CXL call point (IP66) also available. Relevant data sheet available at www.lgmproducts.com
