

CREW ENDURANCE

5MM IMMERSION SUIT

Crewsaver immersion suits are fully approved to the current SOLAS MED regulations. They are made from 5mm fire retardant neoprene to provide good insulation and resistance to oil, sunlight and seawater. Quick and easy to put on, each is supplied in its own carry bag with donning instructions included. All seams are glued and blind-stitched to ensure they are totally waterproof. Critical areas are taped for additional reinforcement and the foot sole is reinforced.

FEATURES

- GUNPACKED AND DORNED IN UNDER 2 MINUTES
